Parent Assembly

'CyberSense' – Preventing unwanted or inappropriate behaviour associated with technology:

Sessions (3 x 20 mins)	Aim	Activities	Resources
1. What is **CyberSense**?	An introduction to **CyberSense** and how it is being used in school. **CyberSense** is a preventative education programme that supports young people in developing the skills they need to stay safe online. The latest Ofsted inspection framework identifies safeguarding young people in this way as a key requirement, and schools will be inspected in relation to the safeguarding education that they provide to young people.	**CyberSense** (child) explanation: **S**afe – keep yourself safe **E**ducate – learn about how the web works **N**etwork – think who can help you out **S**upport – look after each other **E**xplain – tell someone if you are worried about something online Discussion: E-Safety '3 E's' to build up skills in young people, the **CyberSense** programme develops these skills. Importance of the programme: Why **CyberSense** is important - Ofsted expectations (KS1 & KS2) Watch "Gaming" cyber-story	Cyber-Stories - Gaming PowerPoint

2. Sexting	Raising awareness of the network of support available for your child if they find themselves in a vulnerable situation -including the legalities of 'sexting'.	Watch "Send me a selfie" cyber-story Discuss the behaviour of the characters in the films using the appropriate language to describe unwanted or inappropriate behaviour. Distinguish between inappropriate behaviour and behaviour that is safe and appropriate.	Facts to support why **CyberSense** is such an important resource and why parental support is key. "Send me a selfie" cyber-story
3. "Flame Wars" and Support Networks	'Flaming' is a hostile and insulting interaction between Internet users. To explore the use of appropriate language and have the confidence to describe unwanted behaviours.	Watch 'Flame Wars'. Discuss example scenarios with parents – how would they support their child in a situation like this? If Shanelle sends an insulting message back to Lucy, could she start a 'flame war'? **CyberSense** support tips	Parent Leaflet PowerPoint "Flame Wars" cyber-story
